Prof. Dr. Vishwanath D. Karad
Founder, Executive President and
Managing Trustee, Maharashtra Academy
of Engineering and Educational Research
(MAEER), Pune, India.

Our commitment : **Nation building through sports**

MIT, Pune is always keen to follow the ideals,
of the great noble son of India,
Shri Swami Vivekananda.
His Quote :

**“Our country needs a few strong men, with
muscles of iron and nerves of steel”**

**“It is better to run after a football than to read
a Geeta”**

These words are great source of inspiration to the
management and students of MIT, Pune institutions.

So we at MIT believe that extracurricular activities
are equally important along with curricular activities
to develop the all round personality of the students.
We have cultivated blend of superfine sportsmen
and academicians. The last two decades, MIT, Pune
has produced national and international player like:

Ajay Gandhi and **Nitin Gandhi**
(Badminton), **Anand Deshpande**
and **Sushil Nadkarni** (Cricket),
Abhishek Bobade (Basketball),
Ravneet Singh and **Vivek Rai**
(Squash) and **Kaplesh Bhate**
(Equestrian Show Jumping). MIT is
in pursuit of young talent who can
carry this legacy ahead.

Sports Unites people of different
backgrounds. It breaks the barriers
of caste, creed and religion to bring
them together to achieve glory and
honour. It is our vision and mission
to see students from all over India
showcase their talent in true
sportsman spirit because we
believe that **sports does not build
character but reveals it.** So I
appeal to all the youth of the nation
to join hands together to accomplish
the mission.
