Our commitment :

Nation building through sports

MIT, Pune is always keen to follow the ideals,
of the great noble son of India,
Shri Swami Vivekananda.

**"Our country needs a few strong men,
with muscles of iron and nerves of steel"**

**"It is better to run after a football
than to read a Geeta"**

These words are great source of inspiration to the
management and students of MIT, Pune institutions.

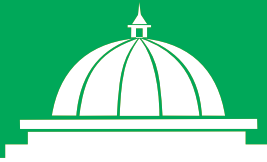

So, we at MIT believe that extracurricular activities are equally important along with curricular activities to develop the all-round personality of the students. We have cultivated a blend of fine sportsmen and academicians. In the last two decades, MIT, Pune has produced national and international players like:

Ajay Gandhi and Nitin Gandhi (Badminton), Anand Deshpande and Sushil Nadkarni (Cricket), Abhishek Bobade (Basketball), Ravneet Singh and Vivek Rai (Squash) and Kapilesh Bhate (Equestrian Show Jumping). MIT is in pursuit of young talent who can carry this legacy ahead.

Sports unite people of different backgrounds. It breaks the barriers of caste, creed and religion to bring them together to achieve glory and honour. It is our vision and mission to see students from all over India to showcase their talent in true sportsman spirit because we believe that sports does not build character but reveals it. So we appeal to all the youth of the nation to join hands together to accomplish the mission.

Come, let's build the nation!!!
