Prof. Dr. Vishwanath D. Karad

Founder, Executive President and Managing Trustee, Maharashtra Academy of Engineering and Educational Research (MAEER), Pune, India.

Maharashtra Academy of Engineering & Education Research (MAEER), Pune established in 1983 is a well-known educational trust with 65+ Institutions imparting KG to PG education. MAEER is a truly multi-campus and multi-disciplinary organization engaged in university approved programs in Engineering, Management, Pharmacy, Medicine and Polytechnic.

Approximately 65,000 students study in various institutions of MAEER. The student community represents the entire cross section of the country. The ethos of value based education system is strictly practiced in all our institutions to promote character building among the young generation to make them winning personalities.

Our Commitment Nation Building through Sports

MIT, Pune is always keen to follow the ideals,
of the great noble son of India,
Shri Swami Vivekananda

*"Our country needs a few strong men,
with muscles of iron and nerves of steel"*

*"It is better to run after a football
than to read a Geeta"*

These words are great source of inspiration
to the management and students of MIT, Pune Institutions.

So we at MIT believe that extracurricular activities are equally important along with curricular activities to develop the all round personality of the students. We have cultivated a blend of superfine sportsmen and academicians. In the last two decades, MIT, Pune has produced national and international players like:

Ajay Gandhi and **Nitin Gandhi** (Badminton), **Anand Deshpande** and **Sushil Nadkarni** (Cricket), **Abhishek Bobade** (Basketball), **Ravneet Singh** and **Vivel Rai** (Squash) and **Kapilesh Bhat** (Equestrian Show Jumping). MIT

is in pursuit of young talent who can carry this legacy ahead.

Sports unite people of different backgrounds. It breaks the barriers of caste, creed and religion to bring them together to achieve glory and honour. It is our vision and mission to see students from all over India to showcase their talent in true sportsman spirit because we believe that **sports does not build character but reveals it**. So I appeal to all the youth of the nation, to join hands together to accomplish this mission.

Come, let's build the nation!!!

Success of MIT SUMMIT '12

MAEER's MIT, Pune had organized a National Level Inter-Engineering Sports Meet, "MIT SUMMIT '12" from 15th to 20th September, 2012. 'SUMMIT' was held for the 7th time at MIT, Pune. Our meet held 15 disciplines which were Football, Basketball, Volleyball, Cricket, Baseball, Badminton, Table Tennis, Chess, Carrom, Squash, Water polo, Swimming, Rowing with the introduction of Boxing.

Response to MIT Summit '12
