“It is better to run after a football than to read the Gita”

These words are a great source of inspiration to the management & students of MIT, Pune Institutions.

We at MIT believe that extracurricular activities are equally important along with curricular activities to develop overall personality of the students. We have cultivated a blend of fine sportsmen & academicians. In the last three decades, MIT, Pune has produced national & international players like :

Ajay Gandhi & Nitin Gandhi (Badminton), Anand Deshpande and Sushil Nadkarni (Cricket), Abhishek Bobade (Basketball), Ravneet Singh & Vivek Rai (Squash), Kapilesh Bhate (Equestrian Show Jumping) and Sumedh Gangal (Golf). MIT is in pursuit of young talent who can carry this legacy ahead.

Sports unite people of different backgrounds. It breaks the barriers of caste, creed & religion to bring them together to achieve glory and honour. It is our vision & mission to see students from all over India to showcase their talent in true sportsman spirit because we believe that sports does not build character, but reveals it. So I appeal to all the youth of the nation, to join hands to accomplish this mission.
